TO ALL: The 1986 Agency program includes funding in the amount of [redacted] for Computer Security (COMPUSEC). If COMPUSEC funds survive 1986 Congressional reductions, I recommend that [redacted] be allocated to the Office of Communications to continue the computer security investment strategy study effort currently underway. FYI - The Office of Information Technology received [redacted] relative to computer security investment strategy. Their status report, covering control magnetic media, auditing, and user authentication, will be forwarded within a couple of weeks.

important work that we need to get on with. But you should recognize that we are potentially extremely in [redacted] unfavourable Report. Next year.

Don - yes, but
lets sustain this
in 86.
